

The Best

I call you when I need you, my hearts on fire
Oh boy I love your soul, I can't find enough ways to let you know
Many times I've tried to tell you, many times I've cried alone
Once I had a love and it was a gas, soon turned out had a heart of glass

When you reach the part where the heartache comes, the hero would be me
You try to tell yourself the things you try to tell yourself, to make yourself forget
Now let's stop running from love, running from love, let's stop my baby
Won't you hold me in your arms, and keep my safe from harm, I wanna run to you

Take this sinking boat and point it home, we've still got time
And if I grow old, well, I know I'm gonna be I'm gonna be the man who's growing old with you
Just pay me back, with 1,000 kisses
Forget what we're told, before we get to old, show me a garden that's bursting into life

Can any human being ever reach that kind of light?
I could hold you for a million years to make you feel my love
Behind your Broadway show, I heard a boy say please don't hurt me
With you and I defying gravity, they'll never bring us down

You float like a feather in a beautiful world, I wish I was special, you're so fucking special
Hold me like I'm more than just a friend, give me a memory I can use
I need your arms to hold me now, the nights are so unkind
The beating of my heart is a drum and it's lost and it's looking for a rhythm like you

I don't know much, but I know I love you, and that may be all I need to know
Knowing me, knowing you, ah haaaaaa
There's more than one answer to these questions, pointing me in a crooked line
Buy a bag of balloons with the money we've got, set them free at the break of dawn

Bibliography - In order of appearance
